looking all hot in them Timberland boots
i like the things the things he do (oh yeah mmm mmm)
you know it's not for dancing tonight if you want to take
a chance and
the single ladies need some attention
i wanna see the fellas make a move, throw it up, give it
up, don't stop

chorus: put em up, if you got money in the bank
your own credit cards and a drop to see
put em up, if you got a clip on your cash when you go to
