[Verse 1:]

I'm feelin what you got
Boy you hot
I wanna put a lock on you
I wanna get my hands on you
With Christmas around the block
See I'm not
Not trying too late to do
All my Christmas shoppin baby

[Hook:]

So tell you what
I wanna take you home for Christmas
I wanna wrap you up
So when I get up
I can open up to you
So say the word
I wanna take you home for Christmas
You're enough
I wanna touch
I wanna take you home for Christmas

[Verse 2:]

I know you likin what you're eyes are checkin
So come on, can you let me do
What I wanna do with you?
Got ribbon in my hand
So chill boy
Turn around and be a man
I'm not gon make the bow too tight
Cause that don't fit with my plans

[Repeat Hook]

[Bridge:]

You lookin like the gift that Santa made for me
I'm in the mood to have you right next to me
So Christmas Eve, I want you under the tree
I'm not gon lie to you
You got me in a mood

[Hook Out]
