

## Three Miles Out "Lies"

Visit "[Lies](#)" on MotoLyrics.com

Today I woke up, only to find you gone  
All my clothes were outside scatter on the lawn.

Don't think I'm over this yet.  
Don't think I'm anything at all.  
Don't think it's over, It's complicated, Love related.

Lies  
Devastated Enislated  
Overrated, I think I hate it.

I can't remember, Anything I did.  
Maybe I did, Maybe I didn't, Maybe I just said it.

(Bridge)

Lies  
Devastated, Saturated, Lies.  
Calculated, Evaporated.

(Breakdown)

Don't think I'm over this yet.  
Don't think I'm anything at all.  
Don't think it's over, Love related, It's complicated.

Lies  
Fabricated, Generated, Lies  
Aggravated, Intoxicated, Lies  
Devastated, Violated.
