Chorus:

She is Cool Operator

Oo yeah mysterious woman

Just like, just like a mobstah

The detective undercover (2x)

The first time I saw her it was the summer time, the
summer time now

And on the surface she looked so fine fine fine, fine

She was askin to see who I was, said a nah nah nah

I wondered what her motives were

She asked me if I was a reggae star, a reggae star now

If I could show her around the world, around the world

But we play music just to share our love girl, said a nah

nah nah nah nah

I can not resist this shut eyed girl because

Chorus:

I saw walking on the beach down in Waimea

She robbed my braddahs from thier speach speach
speach hey

She's wearin diamonds and she's flashing pearls all
around

She's puttin me right out of reach

Some guy pulls up in a fancy car, a fancy car now

She partys with him through the night, hey

But deep inside I know she checks for me cuz she feels
it deeply

But I know it can not be, because

Chorus:

Bridge:

The world is changing yes this means you (you) since
you were a kid

It fills your head with many dreams (dreams)

That's the life you live in now

Uptown girl steppin high (high) in your high fashion

I know you try can't be no queen (queen) Never girl

Chorus:

The girl was cool operator me say the girl was a cool
operator
