Hey pretty baby I like your style  
The way you move it makes me smile  
I know you don't know who I am  
But I just wanna be your man  
Cuz I love you, I love you, I love you, I love you baby  
And I need you, I need you, I need you, I need you  
darling  
Because I want you, I want you, I want you, I want you  
honey  
I want you to come on and get close to me  
And I'll give you all the lovin you need  
Cuz girl you know I'm stuck on you  
And I wanna do what lovers do  
Can't you see I'm into you  
There's nothin that I won't do  
So come on girl, give me a chance  
And I will give you sweet romance  
Cuz I love you, I love you, I love you, I love you baby  
And I need you, I need you, I need you, I need you  
darling  
Because I want you, I want you, I want you, I want you  
honey  
I want you to come on and get close to me  
And I'll give you all the lovin you need  
Cuz girl you know I'm stuck on you  
And I wanna do what lovers do  
See you gettin in the groove  
I treat you like a real man should  
It's so clear for you to see  
That all you need is right here in me  
Cuz I love you, I love you, I love you, I love you baby  
And I need you, I need you, I need you, I need you  
darling  
Because I want you, I want you, I want you, I want you  
honey  
I want you to come on and get close to me  
And I'll give you all the lovin you need  
Cuz I love you, I love you, I love you, I love you baby  
And I need you, I need you, I need you, I need you
