OOH, OOH, OOH (4x)

As I'm driving in my car

With nowhere to go

I start thinkin' of you girl

And when will I see you again

Anticipating time with you

And what are we gonna do

I can't get my mind off you

Chorus:

Cause you make me feel so nice

You make me feel so right

And when I look into your eyes

I don't have to think twice

You and me yes we both had

Our share of ups and downs

Sometimes good and sometimes bad

But we made it through somehow

Yes, I put my trust in you

You know that you can trust me too

My love for you will always be true
