From the time I saw you  
It was like my love had no changes  
I know you feel the sane way too  
Can't describe, good love never ages  
BRIDGE:  
No one can tell me, how I feel  
This burning desire feels so real  
Let me show you girl that my love for you is real  
CHORUS:  
I wanna live my life for you  
I wanna give you what u need, show you girl 2X  
When I close my eyes  
I think of you right by my side  
And girl you make me fantasize  
Of the love that's in your eyes
