I wanna love ya
And treat you right
I wanna love ya
Everyday and every night
Well be together
With the roof right over our head
Well share the shelter
Of my single bed
Well share the same room
Will Jah provide the bread
Is this love (x4) that Im feeling
Is this love (x4) that Im feeling
Whooooa
Oh yes I know, yes I know, yes I know now
I wanna know, wanna know, wanna know now
I, I am willing and able
So I throw my cards on your table
See, I wanna love ya, I wanna love and treat ya
Love and treat you right
I wanna love ya
Everyday and every night
Well be together
With the roof right over our head
Well share the shelter
Of my single bed
Well share the same room
Will jah provide the bread
Is this love (x4) that Im feeling
Is this love (x4) that Im feeling
Whooooa
Oh yes I know, yes I know, yes I know now
I wanna know, wanna know, wanna know now
I, I am willing and able
So I throw my cards on your table
Is this love (x4) that Im feeling
Is this love (x4) that Im feeling
Whooooa
Oh yes I know, yes I know, yes I know now
I wanna know, wanna know, wanna know now
I, I am willing and able
So I throw my cards on your table
