Too much time
And too many heartaches
You have changed my life...

How could I
Believe in the future
Why must you go?

I could help
But feel like a stranger
Stranger to myself...

There is no why
I'm lost in the darkness
When does it stop?
Where does it go?

Here comes the rain
Here comes reality
How could I feel
The same as you?

Here comes the rain
Like new emotion
Tears me apart
To make my dreams come true...

Here comes the rain
Here comes reality
How could I feel
The same as you?

Here comes the rain
Like new emotion
Trying to escape
Escape reality...
