What's holding onto me...

I wanna go...
And swim with the other fishies,
And swim with the other fishies,
I wanna go...
Swim with the other fishies...

You fuckin' octopus... fuck you!

Let me go...
I want to swim...
Free like a slut!
Free like a dirty slut!

Octopus... go fuck yourself!

Fishy! Fishy! Fishy!

My name is Fishy!
And I like to swim!
In the sea...
In the sea...

I'm the fishy...
I'm the fishy...
