"As The Heavens Fall"

Helplessly witnessing the infamous
Progression of humanity
- surviving -
Confronting the moral decay
Of these dark ages
As in future, as in past
Will this darkness come to last?

Helplessly hearing
The cries of the raped
- surviving -
Not blind, nor deaf,

Will reason finally catch up with death
As in future, as in past
Will this darkness come to last?

Desperately fighting
The breaches in humanity
- surviving -
As in future, as in past
Will this darkness come to last?
As the heavens fall
