Habit's what it's become  
seems like I'm alone  
no one to love me  
a proud man is gone  
The one in control  
is no longer known  
living in a haze  
hell I've been shown  
I dare not die though  
I dare not live  
I want to escape  
I want to feel good  
I need to forget  
I need to want  
I need to  
I need  
To think is to be  
therefore I am not  
living's not the word  
applying to me  
No longer I can  
see what I should do  
do with my life

do with myself  
I dare not die though  
I dare not live  
I want to escape  
I want to feel good  
I need to forget  
I need to want  
I need to  
I need  
Now I've lost all hope  
to get me of the hook  
No prospect for me  
Into hell I look  
If I cannot find redemption  
at least there will be oblivion  
I dare not die though  
I dare not live  
I want to escape

I want to feel good  
I need to forget  
I need to want  
I need to  
I need
