Do you know the path you are on, my friend?  
Push me no more  
Till a point where you will have gone too far  
I draw the line  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
You might see things you do not want to see  
I won't be me  
No hope for you when I turn against you

Feel my vengeance  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
Vengeance will be mine  
Wait and see, when pushing me  
till breaking point, you fear me  
Vengeance is mine
