Well they're sure keen on dancin'  
Those Hollywood kids, those Hollywood kids got it  
made.  
When they act, big doors open.  
Those Hollywood kids, those Hollywood kids got it  
made.  
So let's party, Dustin Hoffman.  
Those Hollywood kids, those Hollywood kids got it  
made.

Oh how the sun sets on my Boulevard  
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard  
But leaves such a shadow to fill

Oh the death of a fast life.  
Those Hollywood stars, those Hollywood stars got to  
pay.  
That's some will you've been drinkin.  
Those Hollywood stars, those Hollywood stars got to  
pay.

Oh how the sun sets on my Boulevard  
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard  
But leaves such a shadow to fill

So look closer, do you still think that,  
Those Hollywood kids, those Hollywood kids got it  
made
