

Thrills "This Year"

I told you I'd take you away from here
I told you I'd take you away from here
And I will
I'm no street corner bone
I knew your day would come
It's hardly a secret your checker past
It's hardly a question I would ever ask
Now you are free
We were so cumbersome
I knew your day would come
Well I've said my bit now
It's all in your hands
I'm gonna put my heart on the line
Cos I know - this year could be our year [x4]
Ooohhh oh oh oh
The factory and the job you hold
It makes you hard and then it makes you old
But I know if you still believe in me so
I know our day will come
Well I've said my bit now
It's all in your hands
I'm gonna put my heart on the line
Cos I know - this year could be our year
And I know good friends they rally around
But they just don't understand this year could be our
year [x4]
I'll let nothing come between us
Come between us, come between us, come between us
