Like shadows they moved, he had broken his oath  
His new name: "He Who Knows No Fear"  
Now a warrior of Shara Kondor  
Crimnor Valora was no more  
You will wear the colour of the night to honour your  
forefathers  
You are Shara Kondor, strong and brave  
I will wear the colour of the night to honour my  
forefathers  
I am Shara Kondor, strong and brave  
Like shadows they moved, he had broken his oath  
His new name: "He Who Knows No Fear"  
Now a warrior of Shara Kondor  
Crimnor Valora was no more  
Born for battle, I will die in battle  
Born for battle, I will die in battle  
After my death a cheering crowd will welcome me in  
the halls of the creator of steel  
They will raise their pints and bless me for my glorious  
battles  
Born for battle, I will die in battle  
Born for battle, I will die in battle  
Lord of steel, may this last battle be one to remember  
I will die laughing and without fear  
Under another name, under another god  
They hunted and destroyed Gorodar  
Outnumbered by far they attacked in the night  
A battle won by pure strength  
This will be my last battle  
Before I enter the halls of heroes  
Where a cheering crowd will welcome me  
And praise my glorious death  
Enter the halls of heroes  
Praise my glorious death  
Born for battle, I will die in battle  
Born for battle, I will die in battle  
After my death a cheering crowd will welcome me in  
the halls of the creator of steel  
They will raise their pints and bless me for my glorious  
battles  
Born for battle, I will die for battle  
Born for battle, I will die for battle

Lord of steel, may this last battle be one to remember  
I will die laughing and without fear
