

Throne Of Ahaz "Nifel Heim"

Visit "[Nifel Heim](#)" on MotoLyrics.com

These cold winds caught my soul
Vailing winds from this northern land
The eternous winterstorm...
An arctic night of shadows rose

And from the highest mountain
I behold this frozen waste
Under the sunless sky
A kingdom of might and pride

The eternal freezing winter...

These winds from the mountains of frost
Brought forth echoes of the wolves cries
Bleak and damned they gather in the mist
To cry against the cursing...
...Moon
("Nifelheim")
