I got those 5:01 blues another work day is over  
Time to go home but no one to go home to  
That whistle just blew bad news  
I'll punch out and put in  
Another long night again, missin' you  
I got these 5:01 blues

I used to watch that old clock on the wall  
Wishin' I could make time fly  
But ever since you walked out on me  
Quittin' time just make me wanna cry

I got these 5:01 blues another work day is over  
Time to go home but no one to go home to  
That whistle just blew bad news  
I'll punch out and put in  
Another long night again, lovin' you  
I've got these 5:01 blues

I could go out and find somebody new  
And I'd only spoil her fun  
My mind still says that it's time to love you  
When the clock says the workday is done

I got these 5:01 blues another work day is over  
Time to go home but no one to go home to  
That whistle just blew bad news  
I'll punch out and put in  
Another long night again, missin' you  
I've got these 5:01 blues

Once more

I got those 5:01 blues another work day is over  
Time to go home but no one to go home to  
That whistle just blew bad news  
And I'll punch out and put in  
Another long night again, missin' you  
I've got these 5:01 blues

Oh man, I got no place to go  
No one to go to

Yes, 5:01
