Always wanting you but never having you
Makes it hard to face tomorrow
'Cause I know I'll be wanting you again
Always loving you but never touching you
Sometimes hurts me almost more than I can stand

I'd been better off if I'd turned away and never
Looked at you the second time
'Cause I really had my life all together
Till your eyes meet mine

And there I say a yearning and a feeling
'Cross the room that you felt for me
Wish I'd had a way of knowing that the things we had in
Mind could never be

Always wanting you but never having you
Makes it hard to face tomorrow
'Cause I know I'll be wanting you again
Always loving you, but never touching you
Sometimes hurts me almost more than I can stand
