We interrupt this program to bring you a special report  
We are looking for a man named Billy  
who has just been accused for use of fake credit cards;  
use of UPS trucks; and trying to sell crack  
to an undercover token clerk  
What is this world coming to? Well I'll tell you

Yeahhh his name is Billy  
Now let me tell you about this guy right here  
Bust it

A brainiac, con artist to the 'T'  
Able to geese, you and me  
Talks like a psychotic pimp, walks with a limp..  
.. but he's a wimp!  
Mastermind of the computer world, he lives  
with his wife and a cute little girl  
Now this is the story of a family  
And the man of the family, huh, his name was Billy

Ohhhh, Billy Billy Billy, whassup for today?  
Ha ha! Tell me, did you ever find a way  
to make that money real quick - well I got an idea  
"So what's the idea?" Computer chip!  
Here's a job, some numbers, two credit cards  
We'll split it even, but here's the odds  
Twenty to one, Who's Harry Crumb?  
He's a big fat man which he carries a fat gun  
Now Billy, a smooth operator  
Sneaks out his door, a to the elevator  
Gets on the sixth, and gets off on the fifth

Then heads out the building with  
his little pocket knife in his hand  
Show em you're a man Billy.. understand?  
A few people try to mug him, crack dealers love him  
Delivery boys think highly of him  
United Parcel, very colossal.. UH!  
Sometimes he get a bit hostile  
Don't even care, if people stare  
He gets his package look around, then he's outta  
there!  
Well a-nother day, a-nother dollar  
Don't wanna do it, boy but he's gotta  
a diamond to sell, three point one carat  
"So what he did?" Sold it to the first floor faggot  
No real money, one and a third  
But the brother's gonna get, as high as a bird  
Bell bottoms, yes the man invented the slacks  
Old fashioned turn them naked pointy shoes with spats  
He got the limp to his walk, hat cocked just right  
Walkin down the block, lookin like, Willy Dynamite!  
This man is amazing, he does a lot  
He can tell you what he can do, and what he can not  
He get you radios or TV's, clocks and beds  
He's gettin, twenty to life once he's caught by the feds  
His name was Billy

"Yeah my man went and got her credit card  
Bought my man a Pathfinder Jeep, word up

When you gonna be on the up and up my friend?  
You keep conning, you better chill!  
Cause a brother like me will squeal.. on Billy!
