Devil Woman:
(Marty Robbins)

I told Mary about us I told her about our great sin
Mary cried and forgave me and Mary took me back
again
Said if I wanted my freedom I could be free evermore
But I don't wanna be and I don't wanna see Mary cry
anymore.

Oh devil woman devil woman let go of me
Devil woman let me be and leave me alone I wanna go
home.

I'm Moving On:
(Hank Snow)

That big eight wheeler rollin' down the track
Means your true lovin' daddy ain't comin' back
Cause I'm movin' oh hear my song
You were flyin' too high for my little old sky and I'm
movin' on.

Mister engineer with your throttle in hand
A move me on down to the Promise land
And move me on and hear my song
You were flyin' too high for my little old sky so I'm
movin' on.

Folsom Prison Blues:
(Johnny Cash)

I hear that train a comin' it's comin' round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck in Folsom Prison time keeps draggin' on
I hear that that train a rollin' on down to San Antone...

(Spoken)

Come on over here June and help me sing a song
would you.

Jackson:
(Billy Ed Wheeler - Gaby Rogers)
Meryl & June

We got married in a fever hotter than a pepper sprout
We've been talkin' bout Jackson ever since the fire went
out
I'm goin' to Jackson I'm gonna mess around
Honey I'm gonna snowball Jackson look out Jackson
town.

Here we go now, whoa, whoa.

Orange Blossom Special:
(Ervin T. Rouse)

Hey looky yonder comin' comin' down that railroad
track
I said looky yonder comin' comin' down that railroad
track
It's that Orange Blossom Special bringin' my baby back,
yeah back, back.

Say man says when you goin' back to Florida
Said I don't know I don't guess I ever will
Said ain't you worried bout gettin' your nourishment
down in New York
Well said I don't care if I do die do die do die.

Loves Gonna Live Here:
(Buck Owens)

Oh, the sun's gonna shine in my life once more
Love's gonna live here again
Things're gonna be the way they were before
Love's gonna live here again.

Love's gonna live here love's gonna live here
Love's gonna live here again
No more loneliness only happiness
Love's gonna live here again...
