Every fool has rainbow
But he never seems to find
The reward that should be waiting
At the end of the line

But he'll give up a bed of roses
For a hammock filled with thorns
And go chasing after rainbows
Every time the dream is born

And every fool has a rainbow
That only he can see
Every fool has a rainbow
And the rule replies to me

Every fool has a rainbow
That only he can see
Every fool has a rainbow
And the rule replies to me
