(Traditional (PD))

Temped and tried we're oft made to wonder
Why it should be thus all the day long
While there are others living about us
Never molested though in the wrong.

Chorus:

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brother live in the sunshine
We'll understand it all by and by.

When we see jesus coming in glory
When he comes down from his home in the sky
Then we shall meet him in that bright city
We'll understand it all by and by.

Chorus:

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brother live in the sunshine
We'll understand it all by and by.

--- Instrumental ---

I we'll undersatnd it all by and by.

Chorus:

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brother live in the sunshine
We'll understand it all by and by.

Well, we'll understand it all by and by...
