In a quaint caravan  
There's a lady they call, 'The Gypsy'  
She can look in the future  
And drive away all your fears  
Everything will come right  
If you'll only believe The Gypsy  
She could tell at a glance  
That my heart was so full of tears

She looked at my hand and told me  
My lover was always true  
And yet in my heart I knew, dear  
Somebody else was kissing you  
But I'll go there again  
'Cause I want to believe The Gypsy  
That my lover is true  
And will come back to me someday

She looked at my hand and told me  
My lover was always true  
And yet in my heart I knew, dear  
Somebody else was kissing you  
But I'll go there again  
'Cause I want to believe The Gypsy  
That my lover is true  
And will come back to me someday
