(Mae Boren Axton - Tommy Durden - Elvis Presley)

Well, since my baby left me I've found a new place to dwell  
It's down at the end of Lonely Street at Heartbreak Hotel  
I'm so lonely baby, I'm so lonely, I'm so lonely I could die.

And though it's always crowded you still can find some room  
For broken hearted lovers to cry there in the gloom  
And they'll be lonely baby, yes, they'll be lonely  
They'll be so lonely they could die.

The bellhop's tears keep flowing, the desk clerk's dressed in black  
They've been so long on Lonely Street they never will go back  
And they'll be lonely baby, they'll be lonely  
They'll be so lonely they could die.

So if your baby leaves you you have a tale to tell  
Just take a walk down Lonely Street to Heartbreak Hotel  
Where you'll be lonely and I'll be so lonely  
We'll be so lonely that we could die.

--- Instrumental ---

And though it's always crowded you still can find some room  
For broken hearted lovers to cry there in the gloom  
And they'll be lonely baby, yes, they'll be lonely  
They'll be so lonely they could die...
