I'm a honky tonk night time man  
I can't stand no light  
I'm a honky tonk night time man  
I can't stand no light  
I get my rest in the daytime  
I make my running 'round at night

I had the blues this morning  
I had the blues all day today  
I had the blues this morning  
I had the blues all day today  
But when the sun goes down  
I'm gonna tuck my blues away, away that's what I said  
Boy tuck away

I mean my heart starts beatin'  
When the sun starts sinking low  
Lord my heart starts beatin'  
When that sun starts sinking low  
When the shadows fall  
I know it's time to go, going on

I'm a honky tonk night time man  
I can't stand no light  
I'm a honky tonk night time man  
I can't stand no light  
I get my rest in the daytime  
I do my running 'round, 'round at night, alright
