#### Verse 1

That old white haired judge in Dallas  
Didn't pay my story no mind  
They're takin' me down to Huntsville  
I'm bringin' in a load of time

#### Verse 2

They caught me on a caper that I planned for days  
And proved everything I done  
I'm on my way to Huntsville  
But I'm looking for a chance to run

#### Verse 3

My hands don't fit no choppin' pole  
And cotton never was my beg  
The men better keep both eyes on me  
Or they're gonna lose old Hag

#### Chorus

Hey there ain't so far to Mexico  
There I can find my way  
They're takin' me down to Huntsville  
But I'm not gonna stay

#### Verse 4

They got me chain and leg irons  
I guess they got a good excuse  
They know I'm gonna run the first chance  
I get cause they never gonna cut me loose

#### Verse 5

And I really don't care if they shoot me down  
I'll never be free again  
I've got two long life turns to do  
Both runnin' in the end

## Chorus

Hey there ain't so far to Mexico  
There I can find my way  
They're takin' me down to Huntsville  
But I'm not gonna stay
