I've had good luck and bad luck  
And no luck it's true  
But I always get lucky with you

I've been turned on and turned down  
When the bars close at two  
But I always get lucky with you

I keep two strikes against me  
Most all of the time  
And when it's down to a phone call  
I'm minus the dime

There's been good days and bad days  
But when the day is all through  
Hey I always get lucky with you

I keep two strikes against me  
Most all of the time  
And when it's down to a phone call  
I'm minus the dime

There's been good days and bad days  
But when the day is all through  
Hey I always get lucky with you
