I'm goin' off of the deep end
And I'm slowly losin' my mind
And I disagree with the way, ha-ha I'm livin'
But I can't hold myself in line

You give me no reason for my drinkin'
But I can't stand myself at times
And you're better off to just leave and forget me
'Cause I can't hold myself in line

Hey, my weakness is stronger than I am
Guess I've always been the losin' kind
Now I'm full speed ahead down the wrong road of life
And I can't hold myself in line

Yeah, and I'm goin' off of the deep end
Hey, I'm slowly losin' my mind
And I disagree with the way I've been livin'
But I can't hold myself in line
