today i started lovin' you again  
and i'm right back to where i've really always been  
i got over you just long enough to let my heartache  
mend  
then today i started loving you again

What a fool i was to think i could get by  
with only these few memories of mine  
i should have known the worst was yet to come  
and the crying time for me had just begun  
cause today i started loving you again  
and i'm right back to where i've really always been  
i got over you just long enough to let my heartache  
mend  
then today i started loving you again
