We stopped living when our love died  
And I wanta live again  
Our love grew cold a long time ago  
We both know love is gone

Yet we stay together  
We just keep hanging on  
But it's wrong to live together  
When our love has reached an end

We stopped living when our love died  
And I wanta live again  
I wanna be kissed like I used to be  
Thrilled like I used to be

Loved like I used to be  
I wanta live again  
Each time we kiss, we search for love  
That used to fill our hearts

But it's all wrong, the thrill is gone  
We're just too far apart  
We live a life of loneliness  
Each day that we pretend

We stopped living when our love died  
And I wanta live again  
I wanna be kissed like I used to be
