If you don't want to run around, if you wanna settle  
down  
I'll take a chance on loving you  
If you will be my very own, if you'll be mine and mine  
alone  
I'll take a chance on loving you

There's a lotta pretty girls in this wide wide world  
But none of them should hold a life to you  
You're the nicest the neatest the cutest and the  
sweetest  
And I'll tell you what I'm gonna do

If you don't want to run around, if you wanna settle  
down  
I'll take a chance on loving you  
If you will be my very own, if you'll be mine and mine  
alone  
I'll take a chance on loving you

Did you really mean it or did I just dream it?  
When you said I was the one for you  
Too late to forget it too late to regret it  
The day that I fell in love with you

If you don't want to run around, if you wanna settle  
down  
I'll take a chance on loving you  
If you will be my very own, if you'll be mine and mine  
alone  
I'll take a chance on loving you
