Merle Haggard & Bonnie Owens

If you don't want to run around, if you wanna settle
down
I'll take a chance on loving you if you will be my very
own
If you'll be mine and mine alone
I'll take a chance on loving you.

There's a lotta pretty girls in this wide wide world
But none of them should hold a life to you
You're the nicest the neatest the cutest and the
sweetest
And I'll tell you what I'm gonna do.

If you don't want to run around, if you wanna settle
down
I'll take a chance on loving you if you will be my very
own
If you'll be mine and mine alone
I'll take a chance on loving you.

Did you really mean it or did I just dream it
When you said I was the one for you
Too late to forget it too late to regret it
The day that I fell in love with you.

If you don't want to run around, if you wanna settle
down
I'll take a chance on loving you if you will be my very
own
If you'll be mine and mine alone
I'll take a chance on loving you...
