Oh, you told me that you loved me so many times
And the love that I wanted always would be mine
But now you're gone and I don't know what I'll do
I think I'll just sit down and cry over you.

Now when you left me for another my world fell apart
All you left me was a mem'ry and a broken heart
But till all the pain is gone I don't know what I'll do
I think I'll just sit down and cry over you.

Yes, I think I'll just sit down and cry over you because
you went away
Just like a baby I would cry because you didn't stay
And now that I found out your love for me was never
true
I think I'll just sit down and cry over you.

--- Instrumental ---

Yes, I think I'll just sit down and cry over you because
you went away
I've got so many tears to cry I'd better start today
And now that I found out your love for me was never
true
Oh, I think I'll just sit down and cry over you.

Oh yes, I think I'll just sit down and cry over you...
