Making believe that you still love me  
It's leaving me alone and so blue  
But I'll always dream, still I'll never own you  
Making believe, it's all I can do?

I can't hold you close, darlin' when you're not with me  
You're somebody's love and you will never be mine

Making believe I'll spend my lifetime  
Loving you and making believe

Making believe that I never lost you  
But those happy hours that I find now are so few  
My plans for the future will never come true  
Making believe that's all I can do?

I can't hold you close, darlin', when you're not with me  
Lord, you're somebody's love, and you will never be  
mine

Making believe I'll spend my lifetime  
Loving you and making believe
