Well, a man's gotta give up a lot to keep a woman
satisfied
You gotta give 'em everything you've got or they'll kick
you aside
It don't take much they take 'em home with ye
It takes a whole lot to keep 'em there with ye
A man's gotta give 'em some ground to keep 'em
around.

Turn everything around sideways try to look through a
woman's eyes
And you'll find the whole world takes on a different
view
Try to see mankind like a woman does you know what it
takes to make a woman love
You know how to act when the woman comes back to
you.

'Cause a man's gotta give up a lot to keep a woman
satisfied
You gotta give 'em everything you've got or they'll kick
you aside
It don't take much they take 'em home with ye
It takes a whole lot to keep 'em there with ye
A man's gotta give 'em some ground to keep 'em
around.
