Moon moon I can see you sinking low  
You make me think of a sweetheart a little girl that I  
love so  
After I wonder the whole night through wondering if  
you think of me  
Why am I lonesome thinking of someone I'm thinking  
only of you  
My Carolina sunshine girl you have turned my heart to  
stone  
My Carolina sunshine girl you have left me all alone  
I wonder why I sit and cry  
When I really should laugh at your photograph  
For you're the sweetest angel in this world  
And I love love love you my Carolina sunshine girl  
I wonder why I sit and cry  
When I really should laugh at your little old photograph  
For you're the sweetest angel in this world  
And I love love love you my Carolina sunshine girl
