As we travel along (as we travel along)  
On the Jericho Road (on the Jerico Road)  
Does the world seem all wrong (Does the world seem  
all wrong)  
And heavy your load (and heavy your load)  
Just bring it to Christ (just bring it to Christ)  
Your sins all confess (your sins all confess)  
On the Jericho Road (on the Jericho Road)  
Your heart will be blessed (your heart will be blessed.)

On the Jericho Road (on the Jericho Road)  
There's room for just two (there's room for just two)  
(No more and no less) no more or no less)  
Just Jesus and you (ust Jesus and you)  
Each burden He'll bear, (ach burden He'll bear)  
Each sorrow He'll share (ach sorrow He'll share)  
There's never a care (here's never a care)  
For Jesus is there (or Jesus is there)

Oh brother to you (oh brother to you)  
This message I bring (this message I bring)  
Though hope may be gone (though hope may be gone)  
He'll cause you to sing (He'll cause you to sing)  
At Jesus command (at Jesus command)  
Sin's shackles must fall (sin's shackles must fall)  
On the Jericho Road (on the Jericho Road)  
Will you answer His call (will you answer His call.?)

On the Jericho Road (on the Jericho Road)  
There's room for just two (there's room for just two)  
(No more and no less) no more or no less)  
Just Jesus and you (ust Jesus and you)  
Each burden He'll bear, (ach burden He'll bear)  
Each sorrow He'll share (ach sorrow He'll share)  
There's never a care (here's never a care)  
(For Jesus is there) on the Jerico Road...
