Precious Lord take my hand
Lead me on let me stand
I am tired, I am weak, I am worn
Through the storm through the night
Lead me on to the light
Take my hand precious Lord lead me home.

When my way grows drear
Precious Lord linger near
When my life is almost gone
Hear my cry hear my call
Hold my hand last I fall
Take my hand precious Lord lead me home.

--- Instrumental ---

When the darkness appears
And the night draweth near
And the day, the day is gone
At the river I stand
Guide my feet, hold my hand
Take my hand precious Lord lead me home

Precious Lord take my hand
Lead me on let me stand
I am tired, I am weak, I am worn
Through the storm through the night
Lead me on to the light
Take my hand precious Lord lead me home...
