I gave up on cigarettes till the day
I ain't touched one yet
But tonight think I'm gonna
Burn the whole pack

I laid off 90 proof, ain't had a drop
In years and that's the truth
But tonight, when I light the first one
I'm gonna open up the Jack

She ain't hooked on me no more
She ain't hooked on me no more
One thing that always hurt her the most
Is the one thing she finally quit fighting for

She ain't hooked on me no more
She ain't hooked on me no more
I'm pickin' up all my bad habits again
She's letting one go

For years she had it real bad
I was the only addiction she ever had
Her love made me so high
But I abused it

And here I sit all alone tonight
Whiskey on the rocks and more cigarettes to light
Holdin' on to everything I got left
Hopin' I don't lose it

She ain't hooked on me no more
She ain't hooked on me no more
The one thing that always hurt her the most
Is the one thing she finally quit fighting for

She ain't hooked on me no more
She ain't hooked on me no more
I'm pickin' up all my bad habits again
She's letting one go

She ain't hooked on me no more
She ain't hooked on me no more

I'm pickin' up all my bad habits again
She's letting one go

Yeah, I'm pickin' up all my bad habits again
She's letting one go
