Could be holding you tonight
Could quit doing wrong, start doing right
You don't care about what I think
I think, I'll just stay here and drink

Hey, putting you down won't square the deal
At least you'll know the way I feel
Hey, take all the money in the bank
I think, I'll just stay here and drink

Hey, listen close, so you can hear
That loud jukebox playing in my ear
Ain't no woman gonna change the way I think
I think, I'll just stay here and drink

Hey, hurtin' me know, don't mean a thing
Since love ain't here, I don't feel a thing
My mind ain't nothing but a total blank
I think, I'll just stay here and drink
