Each time a see a little girl about
Five or six or seven
I can't resist the joyous urge
To smile and say.

Thank heaven for little girls
'Cause little girls get bigger every day
Thank heaven for little girls
They grow up in the most delightful way.

Their little eyes so helpless and appealin'
Someday will flash and have you crashin' thru the
ceilin'.

Thank heaven for little girls
Thank heaven for them all,
No matter where no matter who
Without them what would little boys do?

Tell me boys
--- Instrumental ---

Their little eyes so helpless and appealin'
Someday will flash and have you crashin' thru the
ceilin'.

Thank heaven for little girls
Thank heaven for them all
No matter where no matter who
Without them what would little boys do?

Without them what would little boys do?
