I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover

Yet you ran with me
Chasing my rainbows
Honey I love you, too
And that's the way love goes

That's the way love goes, babe
That's the music God made
For all the world to sing
It's never old it grows

Losing makes me sorry
You say, "Honey, now don't worry
Don't you know I love you too
And that's the way love goes

That's the way love goes babe
That's the music God made
And for all the world to sing
It's never old it grows

Losin' makes me sorry
You say, "Honey don't worry"
Don't you know I love you too
And that's the way love goes
