You've got the bull of the wood  
You've got the beaver from Missouri  
We can't get nothin' done on this C.B

You've got the bull of the woods  
You've got the beaver from Missouri  
We oughta get together, you and me

If you'll give me your ten-twenty  
I'll be glad to give you mine  
And I'll put this eighteen wheeler on the side

Well, it won't be hard to back it  
Babe, I'm right behind you  
Just put them air brakes on and let 'er slide

You've got the bull of the wood  
You've got the beaver from Missouri  
We can't get nothin' done on this C.B

You've got the bull of the wood  
You've got the beaver from Missouri  
And we oughta get together you and me

Well, if you've got a runnin' buddy  
Let your partner sleep awhile  
Ten-four, come back, I'm waitin' on your call

Hey, you sound like a keeper  
I know I've got a nifty sleeper  
With sexy lights and mirrors on the wall

Well, I'm a bull of the wood  
And I'm the beaver from Missouri  
But we can't get nothin' done on this C.B

I'm the bull of the wood  
I'm the beaver from Missouri  
We gotta get together, you and me  
Yeah, we're gonna get together, you and me

I'm a bull of the wood

And I'm the beaver from Missouri  
We oughta get together, you and me
