Your strange love was what I found, the day the rains  
came down

And I remember we found shelter in the cave  
With the rain clouds up above, in the darkness we  
found love

The day the rains came I became your slave

As the rains made rivers swell, I fell deeper in your  
spell

You took my hand and handed me a crown  
But if I could just live on with these things I have known  
(The rains came, the rains came)

I know that I'd be glad of what I've found  
(The rains came down)

As the rains made rivers swell, I fell deeper in your  
spell

You took my hand and handed me a crown  
But if I could just live on with these things I have known  
(The rains came, the rains came)

I know that I'd be glad of what I've found  
(The rains came down)

Your strange love was what I found  
(The rains came)

The day the rains came down
