Oh the sunny side of my life is the side you're living on
Grey skies never come when I'm with you
Good times hang around only when you're here at
home
The sunny side of my life is here with you

Standing at my window watching raindrops hit the
ground
Countin' up the days you've been away
It's lonely here without you and the blues had got me
down
Come on home and brighten up my days

Oh the sunny side of my life is the side you're living on
Grey skies never come when I'm with you
Good times hang around only when you're here at
home
The sunny side of my life is here with you

Sittin' on a park bench with the funnies in my hand
Trying hard to laugh at what I see
The sunny side of my life is shining somewhere else
Nothing's quite the way it ought to be

Oh the sunny side of my life is the side you're living on
Grey skies never come when I'm with you
Good times hang around only when you're here at
home
The sunny side of my life is here with you
