TIME CHANGES EVERYTHING

(Tommy Duncan)

© '54 Red River Songs, BMI

There was a time when I thought of no other and we
sang our own love's refrain
Our hearts beat as one and we had our fun but time
changes everything
When you left me my poor heart was broken our
romance it seemed all in vain
The dark clouds're gone and there's blue skies again
Cause time changes everything
Time has passed I've forgot you mother nature does
wonderful things
I guess that it's true for me and for you cause time
changes everything
You change the name of an old song rearrange it and
make it a swing
I thought nothing could stop me from loving you but
time changes everything
Good luck to you may God bless you I can't say I won't
love again
But you go your way and now I'll go mine cause time
changes everything
