Valentine

Won't you be my valentine?
And introduce your heart to mine
And be my valentine

Summertime

We could run and play like summertime
With storybooks and nursery rhymes
And you could be my valentine

Candy heart

If anyone could, you could have a candy heart
You're the sweetest of all sweethearts
Won't you give your heart to me? Can't you see I love
you

Valentine

Won't you be my valentine?
And won't you share your space with mine
And be my valentine?

Candy heart

If anyone could, you could have a candy heart
You're the sweetest of all sweethearts
Won't you give your heart to me? Can't you see I love
you

Valentine

Won't you be my valentine?
And won't you share your space with mine
And be my valentine?
