You left me and you went away
You said that you'd be back in just a day
That day has come and gone but you're still away from
home
I'm walking the floor over you

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in
two
Walking the floor over you

Now darling, you know I love you well
I love you more than I can ever tell
I thought you would love me and you always would be
mine
You went away and left me here with troubles on my
mind

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in
two
Walking the floor over you
