Son, you've got a way to fall
They'll tell you where to go
But they won't know

Son, you'd better take it all
They'll tell you what they know
But they won't show

Ohhhhh
I've got something in my throat
I need to be alone
While I suffer

Son, you've got a way to kill
They're picking on you you still
But they don't know

Son, you'd better wait to shine
They'll tell you what is yours
But they'll take mine

Ohhhhh
I've got something in my throat
I need to be alone
While I suffer

Ohhhhh
There's a hole inside my boat
I need to stay afloat
For the summer
Long

Ohhhhh
(Left my sweet soul)
I've got something in my throat
(Beneath the bedclothes)
I need to be alone
(I'm not coming down)
While I suffer
(Walls have ears)
Ohhhhh

(But no one hears)
I need to stay afloat
(When nobody's around)
For the summer

Son, you'd better wait to fall
They'll tell you where to go
But they won't know
